

POMPE PER VUOTO

GRIPPERS

VENTOSE PIANE SERIE M

Ventose da 160 a 389,99

Flat Cups from 160 to 389,99

Oltre alle pompe per vuoto è nata l'esigenza di soddisfare le richieste dei clienti di fornitura di ventose.

Siamo in contatto con molti produttori così da ricambiare le ventose già da Voi utilizzate. Abbiamo anche una ns. linea di ventose, serie M, economiche e di elevate performance. Contattaci per dei preventivi o per un contatto con un nostro tecnico.

More than Vacuum Pumps, Customers ask more and more frequently to TBF many different type of grippers. TBF are in contact to many brand and manufacturer so we can offer the some grippers you already use (1:1). But now we also have our new line of grippers, M series, cheap and with high performance and durability. Contact us for any further information or for a quote.

Disponiamo di un gran numero di materiali tra cui NBR, Silicone, Poliuretano, Para Naturale e molti altri. Oltre alla forma della ventosa è importante scegliere il materiale migliore per la Vs applicazione.

We have more and more materials for our grippers, for example: NBR, Silicone Rubber, Polyrethan, Natural Rubber and each others. It's very important choose the best material for your application as the shape.
